(3)

By permitting any goods, wares, merchandise or other materials to remain for any purpose on or along either the inner or outer edges of any sidewalk for a longer time than required to remove them; and upon notice by a police officer or other city official to remove such goods, wares or merchandise, they shall be removed therefrom within six (6) hours.

(6)

By stopping and standing any vehicle on or across any driveway or footwalk, or over any street, alley or boulevard, and so obstructing the same any longer than required to move such vehicle when able to do so.
